

# AMERICAN LEGION POST 419 REVEILLE

Veterans Helping Veterans & Serving the Community Since 1932

Issue 1-96

958 Homestead Road, Santa Clara CA 95050

Sept 2025

From the Commander

Spent a wonderful evening hosting the Post table at the 11th annual Sean Walsh K-9 Fundraising Luau. The group has sponsored 48 dogs for law enforcement. The dogs and their handlers were fun to meet and exciting to watch in action. The food was over the top delicious. (Thank you Chef Brenda). I enjoyed the music group and the dancers. Hope you can join us next year.

I want to make a request of all the Legionnaires of our Post. Please, if you are able, attend our meetings. Member meetings are held the first Wednesday of the month at 7 pm. These meetings are your opportunity to have your voice heard. We are always looking for new ideas to help veterans in our community and make our Post a better place for all.

As usual, we ALWAYS looking for volunteers to help out with the events at our Post. If you can help or just need more information, just leave your name with the bar staff or email us at [americanlegionpost419@comcast.net](mailto:americanlegionpost419@comcast.net).

The post desperately needs someone to step up to be Adjutant. An Adjutant must be a Legion member in good standing. The Adjutant shall have charge of and keep a full and correct records of all the proceedings of all Membership and Executive Committee meeting, keep such records as the department and National organizations require, render reports of membership annually or when called upon at a meeting. And under direction of the Commander, handle all correspondence of the Post". This usually requires 20-25 hours per month. If you can help, please contact me at the post. Issac Jantzen, Commander

## Adjutant Report

The information below I wrote in the January 2012 Howdy Post 419 newsletter. It is just as true today as it was thirteen years ago. You cannot run an efficient post with just three or four active members.

*The one thing you must remember, an organization such as ours only exists and functions because of membership. Without your renewals and participation we can NOT exist; we can NOT support the Veterans functions for which we are charged to do; we can NOT perform services for the community. From what I have seen during my short time as a Legionnaire is most who do renew your membership each year can always find something else to take up your time and not allotting any time for service to the American Legion or District 13 or your Post. It takes a lot of man hours to keep our post operational. I know that time is precious and family's come first, but if you could only donate a few of hours a month, so many other things could be accomplished. There is nothing to compare to the personal reward of doing something for a Veteran who is temporarily in the VA hospital or care facility, Cub/Boys Scout Troop, a little league team, needs support. These are the things which we stand for and we need to maintain. Just belonging to the American Legion for the sake of belonging "???".*

Along with volunteering for the officers positions a post needs volunteers to help with the facility maintenance, its janitorial services and general cleanup, its bartenders, its help in the kitchen, and last but not least on its Honor/Color guard. Sign up to help on a committee especially ones which supports children and youth for which we are active in.

The Positions of Chaplain - Service Officer - Adjutant are all necessary for the operation of a post and are appointed by the Commander. So please contact the Commander and let him know you are willing to take on some responsibility for keeping our post alive and well. Because if these positions are not maned and ready the post could surly fail.

Gene Grundstrom,  
Adjutant Emeritus Post 419

Greetings everyone,

The Legions and Son's National conventions have ended and we will be receiving information from our new National Commander as well as other information from other National Officers. Some of this information we will be receiving during our online Zoom meeting.

As for membership, we have been receiving some member's dues. Also, for those who have taken it upon themselves to renew online, if you would notify us, that you have paid, so we can get your 2026 cards out to you. Dues are still \$25.00 for those over the age of 18. For our junior members it's only \$15.00

If you know of any members who have dropped out, please reach out to them, talk to them and see how they are doing. Invite them to renew their membership.

In the month of November, we shall be having our annual Thanks 4 Giving event. This year it will be held on a Saturday, also, we plan on having music for dancing.

**Our meetings are still on the 1st Thursday of the month at 3pm.** If anyone is interested in finding out what we are doing, please come and join us. We don't bite. Our meetings don't go over an hour.

Respectfully submitted,

# AMERICAN LEGION CHAPLAIN

---

9/11

---

God of Peace and Mercy, on this anniversary for September 11, we lift up the souls who perished on that day. Welcome them with loving arms into Your kingdom. Comfort their families and friends. Help us to mourn alongside them with a constant compassion that can only be rooted in You. May we look to the first responders that day to inspire us to live bravely and courageously, and to selflessly protect others in need. May we look to those who opened up their homes to the stranded and displaced that day to stir us to be more hospitable. Having seen the face of evil and darkness, may we be steadfast and faithful in pursuing You, our perpetual Light. In Jesus's name we pray.

*Land of the Free, Because of the Brave*

# SCOUTING

## Eagle Scout Project

To become an Eagle Scout, a Scout must earn at least 21 merit badges (13 of which are Eagle-required), demonstrate leadership in their troop for at least six months as a Life Scout, live by the Scout Oath and Scout Law, complete an approved service project, and pass a board of review. All requirements must be completed before the Scout turns 18, though the final board of review can occur within three months of the 18th birthday.

Aiden started his approved project at home, and worked on it over three weekends. On August 16th, he delivered the planter boxes to the Post. The old cracked, split Home Depot pails that divided the patio from the parking lot are gone, replaced with the new wood planter boxes. The new planter boxes are sporting some handsome succulents. Stop by the Post and check it out!

## Cub Scout Pack 32: Building the Next Generation of Leaders

Pack 32 is proud to share that we earned the 2024 Commissioners Challenge Award and are starting 2025 strong. This marks our 39th year with the American Legion as our chartering partner, a relationship that continues to inspire our Scouts to serve with pride. A special thank you to Sheldon Tounzen, for serving as our chartering organization representative.

We kicked off the year with a family BBQ at Bowers Park and a walkabout at Ulistac Preserve. Recruitment Night is set for September 17, followed quickly by our first service project: joining California's Coastal Clean-up on September 20.

October brings big adventures with Cub-O-Ree on October 4, first Pack Show of the year right here at the American Legion Hall, popcorn sales and a fall camping trip to Camp Tamarancho.

Pack 32 is grateful to the American Legion for helping us teach service, citizenship, and camaraderie—the same values our veterans have lived and passed down. Together, we are preparing the next generation of leaders.

Popcorn Sales are in full swing! The Pack 32 scouts are fundraising to support their troop's activities and adventures for the coming year. Just pay with your credit card, Trails End pays the service fee. You can also choose to donate to the "Heros and Helpers" fund, another way to support veterans and first responders. Sales will be open starting September 9th. Here's a link that can be used for popcorn purchases and donations that will go to our Pack account:

Honor Flight Bay Area has had volunteer support from the Navy's Sea Cadet program and the Young Men's Service League from San Mateo, Ca. We thank them for providing the honor guard at the arrival gate and to lead the parade through the terminal.

The United States Naval Sea Cadet Corps (Sea Cadets) is  
the Navy's youth development program.

We give young Americans skills, knowledge, and confidence through an amazing variety of training opportunities. Sea Cadets wear uniforms, work as teams in a disciplined environment, and adhere to our core values of honor, respect, commitment, and service.

This immediately registers your payment and reports your renewal to your Membership Committee. This saves you postage and us time. In addition by renewing on line it is easy to update your personal information (address, phone, email). Should you forget or lose your card you can access a copy on line at the same site, saving you time. Should you renew at our Post, please pay by check! It is more secure than loose cash and gives your Membership Committee a second check on the spelling of your name. Remember the "coveted 'Early Bird' stamp will be stamped on your 2026 Membership Card to those members renewing prior to Veterans Day. Please note: Anyone applying for new membership, or that is transferring from the California at large Post 1000, you must submit a copy of your DD-214. Active Duty applicants need to provide a proof of Active Duty. Feel free to black out or redact your Social Security number, we also will return it once your membership is approved. We cannot process or approve either without your DD-214, current military ID or Leave and Earnings Statement. Please remember to write your membership number on your check, or if renewing at the Post write it on the membership renewal and/or application (print CLEARLY), you can always just print a copy of your card and include it. This is not necessary if you use the form sent to you in the mail as your card number is already printed on it. As always should you have any questions or concerns feel free to contact me:
